

**CITY OF LAGUNA BEACH
MEMBER OF THE CITY COUNCIL**

CHERYL KINSMAN

OCCUPATION: Mayor/Accountant

Laguna Beach is a paradise. We must preserve it for future generations.

For nearly 30 years my husband, sons ages 17 and 10, and I have lived in Laguna Beach, where I am a Certified Public Accountant During my four years on the Laguna Beach City Council and as Mayor, we:

- Became the leading city in reducing coastal water pollution.

- Stopped El Toro International Airport permanently.

- Assured that Laguna Beach is in excellent financial condition, while other cities are struggling.

- Ensured our arts heritage by signing new 40 year leases with the Festival of Arts and the Laguna Playhouse.

- Reversed years of infrastructure neglect.

- Acted on Vision Laguna 2030 recommendations.

- Opened three new oceanfront parks: Treasure Island, Brown's Park and Smithcliffs.

- Renovated Village Green Park and Bluebird Park, including a new rocket ship.

- Initiated computer upgrades, providing community access to city information.

My commitment is to protect Laguna Beach by:

- Adding parking to reduce traffic congestion.

- Developing a more amicable design review process.

- Expanding free tram service.

- Continuing top-quality fire, police and lifeguard service.

- Keeping our hospital in Laguna Beach.

- Increasing protection for our tidepools and beaches.

Vote Cheryl Kinsman, Certified Public Accountant, for City Council. As partners, we can preserve Laguna Beach's special qualities.
